

## Kayak Instructor & Guide Positions – Seasonal

The Kayak Centre of Rhode Island is seeking experienced Instructors & Guides for our 2008 season. We are a fast-paced, full-service specialty kayak shop with on-water locations in Wickford, Charlestown and a new location in Warwick, RI. We offer complete on water programs including tours, instructional clinics and trips April through November.

The Kayak Centre puts over a thousand paddlers on the water annually. We offer a variety of on-water programs including rentals, tours, instructional courses at all levels and international adventure travel. We help hundreds of customers find the right kayak and accessories for their paddling venue and maintain a great selection of inventory. We are a destination spot for hundreds of families and paddlers. This is a fast paced environment which can be both exciting and challenging.

We are seeking experienced instructors with ACA or BCU certification as well as current certification in CPR & First Aid who are outgoing, team players with a passion for paddling and teaching. We are also seeking tour guides with previous kayak experience who are outgoing, interested in the outdoors and are team players. Both of these positions require safety conscious individuals with great paddling skills, a high level of customer service and attention to detail.

Instructor and Guide positions are available full and part-time averaging 20-30 hours per week.

Most of us are paddlers here at The Kayak Centre of Rhode Island. We love the sport, we use the gear we sell and we really enjoy what we do. We have an outstanding team and we believe that it truly makes a difference.

If you're interested in becoming part of our team, please fill out an application, supplement and include paddling resume if available. We look forward to hearing from you!
